

LEDiving CAP (OFFROAD)

Product family datasheet

Technical data

| | Product information | General Product Information | Physical Attributes & Dimensions | Capabilities |
|---------------------|---|-----------------------------|----------------------------------|-----------------|
| Product description | Application (Category and Product specific) | Global order reference | Diameter | Technology |
| LEDriving CAP 01 | Accessories for LED retrofits | LEDCAP01 | 92.0 mm | LED accessories |
| LEDriving CAP 02 | Accessories for LED retrofits | LEDCAP02 | 85.0 mm | LED accessories |
| LEDriving CAP 03 | Accessories for LED retrofits | LEDCAP03 | 87.0 mm | LED accessories |
| LEDriving CAP 04 | Accessories for LED retrofits | LEDCAP04 | 97.0 mm | LED accessories |
| LEDriving CAP 06 | Accessories for LED retrofits | LEDCAP06 | 76.0 mm | LED accessories |
| LEDriving CAP 07 | Accessories for LED retrofits | LEDCAP07 | 90.0 mm | LED accessories |
| LEDriving CAP 08 | Accessories for LED retrofits | LEDCAP08 | 120.0 mm | LED accessories |
| LEDriving CAP 09 | Accessories for LED retrofits | LEDCAP09 | 80.0 mm | LED accessories |
| LEDriving CAP 11 | Accessories for LED retrofits | LEDCAP11 | 80.0 mm | LED accessories |
| LEDriving CAP | Accessories for LED retrofits | LEDCAP10 | 89.0 mm | LED accessories |
| LEDriving CAP 12 | Accessories for LED retrofits | LEDCAP12 | 106.0 mm | LED accessories |

| | Environmental & Regulatory Information Information according Art. 33 of EU Regulation (EC) 1907/2006 (REACH) | | | |
|---------------------|---|------------------------------------|--|------------------------------------|
| Product description | Primary article identifier | Candidate list substance 1 | Safe use instruction | Declaration no. in SCIP database |
| LEDriving CAP 01 | 4062172241878 | No declarable substances contained | The identification of the Candidate List substance is sufficient to allow safe use of the article. | No declarable substances contained |
| LEDriving CAP 02 | 4062172241908 | No declarable substances contained | The identification of the Candidate List substance is sufficient to allow safe use of the article. | No declarable substances contained |
| LEDriving CAP 03 | 4062172271394 | No declarable substances contained | The identification of the Candidate List substance is sufficient to allow safe use of the article. | No declarable substances contained |
