

# TRUCKSTAR LED H7

OSRAM's first TRUCKSTAR H7 LED for 24-volt vehicles

### Street-Legal<sup>1)</sup>

The TRUCKSTAR LED - OSRAM's first street-legal<sup>1)</sup> LED retrofit lamps for 24V Vehicles.

### Up to 230% more brightness<sup>2)</sup> & 6000K

See and be seen with OSRAM. Cool white color temperature similar to daylight. For more safety on the road, especially when driving at night

### Heavy Duty Application

Specially developed vibration-resistant design, engineered for the 24V and "heavy duty" range for an up to 5 times longer lifetime<sup>3)</sup>

### 4 Year OSRAM Guarantee<sup>4)</sup>

Systematic quality assurance measures underpin the premium workmanship and functionality of our products. Innovative technology and excellent quality really pay dividends for our customers.

## Product family datasheet

With the TRUCKSTAR H7 LED, OSRAM's first street-legal<sup>1)</sup> H7 LED retrofit lamp for 24V vehicles is now on the market.

For truck drivers, fleet managers and freight forwarders. For trucks, special vehicles, buses, and towing vehicles. For nearly everyone in the "heavy duty" sector and beyond. With the street-legal<sup>1)</sup> TRUCKSTAR H7-LED for 24V Vehicles you can now upgrade the function of your high- and low beam lights of your vehicle to state-of-the-art LED technology. These LED replacement lamps are suitable as a replacement for conventional H7 lamps and bases. They offer a modern and bright white light with a color temperature of up to 6000 Kelvin and impress with up to 230% more brightness<sup>2)</sup>, while the glare of other road users falls below the permissible maximum values by up to 50%<sup>2)</sup>. In comparison to standard lamps, such as halogen lamps, these LED retrofit lamps consume up to 75% less energy and convince thanks to the LED technology and the especially developed and vibration-resistant design, engineered for the 24V and "heavy duty" range, with up to 5 times longer life time<sup>3)</sup>. You can now replace your vehicle lamps with OSRAM's revolutionary retrofit lamps and experience trend-setting brightness with road approval<sup>1)</sup> Additionally, OSRAM offers a dedicated guarantee on all TRUCKSTAR LED retrofit lamps<sup>4)</sup>

#### Safety advice

Application advice: For more detailed application information and graphics please see product datasheet and user manual.

#### Legal advice

1) Approved LED light source - only applies to the respective countries in which there is approval or to which an equivalent approval applies and the vehicle models and light functions currently listed in the compatibility list. For more details see [www.osram.com/nb-led](http://www.osram.com/nb-led)

2) Compared to the minimum requirements of ECE R112, while the glare is below the maximum permissible values by up to 50%

3) In comparison to traditional Halogen lamps

4) For precise conditions please refer to: [www.osram.com/am-guarantee](http://www.osram.com/am-guarantee)

#### Application advice

For more detailed application information and graphics please see product datasheet.
