

# Flush mount WL VX100-FL

### Flood Beam Pattern

For a wide and broad light distribution

### Up to 45 m long beam

See and be seen with OSRAM

### Robust and vibration resistant

Specially designed for demanding work environments and rough off-road terrain

### IP & IK protection classes

Tested and validated in a DIN-certified environmental simulation laboratory regarding extreme external influences

### Powerful LED working lights

Discover the versatility of the OSRAM LEDDriving Flush Mount WL VX100-FL for powerful near-field and far-field illumination at the front, rear or side of your vehicle. The working light combines affordability with exceptional performance, quality and functionality. With a luminous flux of up to 600lm and a flood beam pattern with a wide and broad light distribution, the working light is ideal for illuminating near- and far-field areas, such as campsites, work areas or construction sites. Thanks to the lightweight rugged construction and sleek shape, the working light seamlessly integrates into the vehicle's design, offering enhanced visibility without compromising on style. With a light beam reaching up to 45 meters and a light color of 6500 Kelvin, it ensures clear visibility even in the darkest conditions. The working light is compatible with both 12V and 24V electrical systems, making them suitable for a wide range of vehicles including trucks, agricultural machinery, construction vehicles, caravans, quads and off-road vehicles<sup>1)</sup>. Whether for demanding work environments, camping trips or off-road adventures, the LED Flush Mount offers versatile lighting solutions tailored to various driving scenarios. Equipped with a shatterproof polycarbonate lens and aluminum die-cast housing, the LEDDriving Flush Mount WL VX100-FL is robust and vibration resistant to withstand the harshest conditions. It has been tested and validated with the highest IP-Protection Classes IP6K8 & IP6K9K in our DIN certified environmental simulation laboratory for extreme external influences regarding water, dust, impacts, heat, cold and permanent vibration. In addition, OSRAM provides a 2-year guarantee on the product<sup>2)</sup>.<sup>1)</sup> Additional working lights without ECE approval for use as work lights are approved for use on any vehicle according to German Road Traffic Licensing Regulations (StVZO) §52 (7). However, they must not be used and switched on while driving. In addition, individual special regulations, and laws of countries outside Germany must be observed.<sup>2)</sup> For precise conditions refer to: [www.osram.com/am-guarantee](http://www.osram.com/am-guarantee)

## Product family datasheet

### Technical data

Product description	Product information		Electrical data		Photometrical data	LED module information
	Order reference	Application (Category and Product specific)	Nominal voltage	Nominal wattage	Luminous flux	Number of LEDs per module
Flush Mount WL VX100-FL <sup>1)</sup>	LEDFLUSH 101-FL	Working light application	12/24 V	6.50 W	600 lm	2

Product description	Lifespan	Capabilities	Certificates & standards		Logistical data
	Lifespan Tc	Technology	Standards	Type of protection	Commodity code
Flush Mount WL VX100-FL <sup>1)</sup>	5000 h	LED <sup>2)</sup>	ECE R10	IP6K8/IP6K 9K	85122000900

Product description	Environmental information Information according Art. 33 of EU Regulation (EC) 1907/2006 (REACH)		
	Date of Declaration	Primary Article Identifier	Declaration No. in SCIP database
Flush Mount WL VX100-FL <sup>1)</sup>	01-03-2024	4062172399920	In work

<sup>1)</sup> Beam Pattern: Flood

<sup>2)</sup> Light-emitting diode application
